

Super Orange

Super Micro powder

STRONG

Contains Orange Oil

Specialized for Engrained stains

Solid type 95g

Hanger board holds 12 pcs

Powerful multipurpose cleanser

Cleans off engrained grime with orange oil and super micro powder. You can even use this cleanser on rust. It causes little to no scratch, if any.

- Feature No. 1** Clean off tough, engrained grime with orange oil and abrasive. Orange oil penetrates the grease. Micro powder abrasive cleans off tough, engrained grime.
- Feature No. 2** Powerful micro powder cleanser with minimal damage. This abrasive fiber is hard, round, extremely fine and even. You can use it on burned pots and kettles, even on rust on bicycles too! The base material is soap, so it slides smoothly while cleansing.
